**ADDITIONAL TERMS FOR FIRSTNET MOBILE – UNLIMITED PLANS:** Unlimited plans do not pool. **Exclusions:** FirstNet Mobile-Unlimited Plans may not be used with any device or equipment that is intended to, or is used to, establish a continuous, unattended connection to the 4G LTE networks used to provide FirstNet services, including, but not limited to, automatic data feeds, mobile video transmissions, and automated machine-to-machine connections. FirstNet Mobile - Unlimited plans are unavailable to subscribers in American Samoa.

**ADDITIONAL TERMS FOR FIRSTNET MOBILE – POOLED PLANS:** Within a single Billing Account Number (**BAN**), Agency Paid User lines activated on separate FirstNet Mobile--Pooled plans are combined to create a "Data Pool." Every billing cycle, each Agency Paid User first uses his or her plan's included data allotment, if any. If an Agency Paid User does not use all of the plan's Data Allowance, it creates an underage in the amount of the unused Data Allowance (**Under Usage**). If an Agency Paid User uses more than the plan's Data Allowance (e.g., any Agency Paid User with a 0 GB plan), the Agency Paid User incurs Data Overage charges in the amount of the excess data usage (**Over Usage**). At the end of the billing cycle, AT&T calculates the total Under Usage amounts for Agency Paid User lines in the Data Pool and the total Over Usage amounts for Agency Paid User lines in the Data Pool and then compares the two totals. If the total Under Usage amount exceeds the total Over Usage amount, the excess Under Usage is allocated among each Agency Paid User in the Data Pool with Over Usage, resulting in per line credits on Customer's invoice equal to each such Agency Paid User line's Data Overage charges. Any remaining excess Under Usage will be forfeited. If the total Under Usage is more than zero and if the total Over Usage amount exceeds the total Under Usage amount then the Under Usage is divided by the Over Usage to create an allocation factor that is applied equally to each Agency Paid User's Data Overage charges to determine each such Agency Paid User's share of the total Under Usage amount, resulting in per line credits on Customer's invoice to partially offset each such Agency Paid User's Data Overage charges. For example, if a Data Pool has 100 KB of Under Usage and 1000 KB of Over Usage (which means an allocation factor of 10%), then Customer's invoice will show, with respect to each Agency Paid User line with Over Usage, both (a) the Agency Paid User's Data Overage charges for the Over Usage at the specified Data Overage rate, and (b) a bill credit equal to 10% of the Agency Paid User's Data Overage charges. Changing or migrating Agency Paid User lines to FirstNet Mobile--Pooled Plans during a bill cycle may result in one-time prorations or other minor impacts to the credit calculation. If Customer's organization's Foundation Account Number has multiple BANs, Customer may have more than one BAN specific Data Pool; however, Agency Paid User Lines in one Data Pool cannot take advantage of another Data Pool's Under Usage, and each Agency Paid User line can only be part of one Data Pool at a time. AT&T reserves the right to limit the number of Agency Paid User lines in a Data Pool due to business needs and system limitations. **Data Overage:** If Customer exceeds the total amount of data in the Data Pool during a billing period, a pay-per-use rate of \$0.000009536 per kilobyte (**KB**) will apply. 1,024 KB = 1 megabyte (**MB**); 1,048,576 KB = 1 gigabyte (**GB**).

**GENERAL WIRELESS SERVICE TERMS:** Subject to applicable Government Agreement. Service is not for resale. **OTHER RESTRICTIONS AND FEES:** **Activation/upgrade fee** per line (up to \$50) and deposit may apply. If you purchased a device that requires a service term commitment, an **Early Termination/Cancellation Fee** may apply if you cancel Agency Paid User service after the first 30 days and before the service term ends. See [att.com/equipmentETF](http://att.com/equipmentETF) for details on what fee applies for your device and how the fee is prorated over time. Credit approval may be required. AT&T reserves the right to suspend or terminate service to Customer's account, place any non-complying device on an appropriate plan, and/or add any other required element of a plan. **AT&T FEES & GOVT. TAXES:** Monthly AT&T fees apply per line & include Regulatory Cost Recovery Fee (up to \$1.50), Administrative Fee (up to \$1.99), Property Tax Allotment surcharge (\$0.20-\$0.45) & other AT&T fees which are not government-

required. Additional one-time Fees may apply. Govt. taxes are extra. See [att.com/mobilityfees](https://att.com/mobilityfees) for more details. **COVERAGE:** Coverage map shows high level approximation of areas included in and out of plan. For the most current coverage info, check [firstnet.com/coverage](https://firstnet.com/coverage). Coverage may include areas served by unaffiliated carriers and not on AT&T's owned and operated network (off-net). Coverage is subject to change without notice.
