Connected Response for EMS: Connected Vehicle

^{*}FirstNet does not sell all of the technologies outlined here. However, FirstNet Ready® and FirstNet Trusted™ devices sold by third parties have been through a rigorous device evaluation and testing process to provide first responders and those who support them with highly secure, high-performance devices ready for use on FirstNet.

⁵ G: Limited availability: may not be available in your area. Requires a FirstNet Ready 5 G capable device and FirstNet SIM. See www.firstnet.com/coverage for coverage details.
