

FirstNet, Built with AT&T

FirstNet is the nationwide public safety broadband network, services and solutions built with and for first responders and those who support them. It is more than a network, including advanced services, applications, and purpose-built devices.

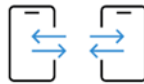

We are accountable for keeping your lines of communication open – with dedicated mission critical solutions that modernize public safety.

Is your company a trusted advisor to public safety and those organizations that support them? Strengthen your relationships and drive new revenue streams by becoming an authorized FirstNet Dealer.

The only dedicated communications platform in the country that brings first responders:

-  **Always-on, 24x7** priority and preemption across voice and data communications
-  A physically separate network core **fully dedicated** to public safety
-  Government oversight and accountability from the **FirstNet Authority**
