

Nextivity Go Red Band 14 Repeater

Free for qualified FirstNet® primary agencies

The Nextivity Cel-Fi Go Red is a next-generation smart signal booster that strengthens in-building cellular coverage for FirstNet emergency communications.

When building materials, terrain or structures weaken cellular signals indoors – causing dropped or missed calls – the Nextivity Cel-Fi Go Red boosts coverage for spaces up to 90,000 sq. ft.

Qualified FirstNet primary agencies can receive a limited number of Nextivity Cel-Fi Go Red units at no cost.* There are no contracts, monthly fees or hidden charges.

Nextivity Cel-Fi Go Red	
Price	\$699 \$0
Coverage	15,000 sq. ft. (up to 6 units per building)
Band Support	Bands 12 and 14
