FirstNet Mobile – Responder & FirstNet Mobile – Responder Unlimited Plans
NOW AVAILABLE ON THE FIRSTNET EVOLVED PACKET CORE*
Get unlimited talk & text plus a monthly data allowance or unlimited data

All FirstNet Mobile – Responder & FirstNet Mobile – Responder Unlimited plans for smartphones and tablets include:

- No data roaming charges in the Pacific Territories (American Samoa, Guam and Commonwealth of the Northern Mariana Islands), Canada and Mexico
- Optional First Priority®, which enables priority access to the AT&T domestic 4G LTE network and the 4G LTE networks of AT&T’s domestic rural providers connected to the FirstNet Evolved Packet Core and prioritized treatment of select data traffic on the network. Prioritization is subject to restrictions established for the industry in which you work.¹
- Access to millimeterWave (5G+) services², where available (in limited locations), for your 5G FirstNet capable devices.

¹Requires a 4G LTE-compatible, FirstNet Capable device using a FirstNet Trio Subscriber Identification Module (SIM) card and provisioned with an Approved Business Application. Limited to Approved Business Application data traffic originated on and traversing over the AT&T domestic 4G LTE network and the 4G LTE networks of AT&T’s domestic rural providers connected to the FirstNet Evolved Packet Core. If you are using an AT&T SIM card on the AT&T commercial core, you will instead have the priority capabilities of AT&T Dynamic Traffic Management – Public Safety; for details, see Important Information: AT&T Commercial Core on pages 3-4.
²Limited availability; may not be available in your area. See www.firstnet.com/coverage for coverage details. 5G+ Service: Req’s a compatible 5G+ device, FirstNet SIM, FirstNet 5G rate plan, and no Custom APN. Not avail. in most areas; 5G+ service is avail. only in limited parts of select cities. Other restr’s apply.

Plans for phones also include:

- Unlimited talk & text within the United States, Puerto Rico, U.S. Virgin Islands, Pacific Territories, Canada and Mexico
- Unlimited talk from the United States, Puerto Rico, U.S. Virgin Islands, Pacific Territories, Canada and Mexico²

Pay-per-use rates apply to calls made to all other countries.

¹ Your entity may have negotiated discounts to the pricing shown in the table. If available, the discount will appear as a monthly credit on your bill.
² You are limited to a FirstNet Mobile – Responder or FirstNet Mobile – Responder Unlimited plan for 1 smartphone, 1 tablet 1 connected wearable and 1 connected data device.
³ Only select connected wearables are available for use with the FirstNet SIM on the FirstNet Evolved Packet Core. No plan usage in Mexico and Canada. Pay-per-use roaming rates apply; requires a compatible connected wearable. Select connected wearables do not have SMS/MMS functionality.
⁴ FirstNet Mobile - Unlimited plans are unavailable to subscribers in American Samoa.
⁵ Eligible connected data only devices: Mobile hotspot devices, laptops, LaptopConnect/aircards and netbooks.

*Plans are also available for use on the AT&T commercial core, rather than on the FirstNet Evolved Packet Core. You may select a FirstNet Mobile plan for use on the AT&T commercial core only if you are migrating your current AT&T line over to FirstNet. Customers using the AT&T commercial core have different coverage and network capabilities than customers using the FirstNet Evolved Packet Core: for example, FirstPriority® is only available on the FirstNet Evolved Packet Core. Customers using the AT&T commercial core may be required to migrate to the FirstNet Evolved Packet Core at an appropriate time. See Important Information: AT&T Commercial Core on pages 3-4 for details on coverage and capabilities.
FIRSTNET MOBILE – RESPONDER & FIRSTNET MOBILE – RESPONDER UNLIMITED PLANS (FirstNet Evolved Packet Core): Requires a FirstNet Capable device provisioned with a FirstNet Trio SIM card. Eligibility: These Plans are intended for emergency response purposes for those who support first responders and, as such, are available only to eligible, verified employees of an Extended Primary User Public Safety Entity: entities that contribute to or help enable or support the provision of public safety services, such as entities that provide critical government services, entities that support critical infrastructure, and/or entities that provide civilian services which may be needed to support first responder Primary User Public Safety Entities. An eligible employee’s duties must be directly related to the enabling or providing of public safety services. Detailed eligibility criteria can be found at the AT&T & FirstNet Solutions service guide located at http://serviceguideenue.at&t.com/sg_firstPlaye/Page/FIRSTNET. Each eligible employee must (a) have his/her eligibility verified; and (b) subscribe to service under an AT&T Connected Plan account for which the employee is individual subscriber liable (each, a “Subscriber Paid User”). If your qualified Extended Primary User Public Safety Entity has a contract with AT&T for the FirstNet Solution with an active Subscriber Paid Administrator, the Subscriber Paid Administrator must verify your eligibility before you can activate FirstNet service. If your qualified Extended Primary User Public Safety Entity does not have an active Subscriber Paid Administrator, you can choose one of two eligibility verification processes: (a) you can successfully complete the online eligibility verification process found at www.firstnet.com/verify within 30 days after you activate FirstNet service in an AT&T-owned or AT&T authorized retail store; or (b) you can successfully complete the online eligibility verification process found at www.firstnet.com/signup before you activate FirstNet service. After initial eligibility verification, Subscriber Paid Users will be subject to periodic re-verification. AT&T reserves the right to verify any information you provide with your Extended Primary User Public Safety Entity. FirstNet Evolved Packet Core: Connectivity and Data Services. FirstNet Evolved Packet Core (EPC), the packet-based network infrastructure that enables or provides public safety services. FirstNet connections may use roaming requires the purchase of an international package, which will be found at www.firstnet.com/firstninternational. Pricing: Prices are for service only. Plan Limits: Maximum 4 qualified FirstNet Mobile lines of service on your Subscriber Paid account. Each line must be for a device type (no more than 1 line for a smartphone or feature phone, 1 line for a tablet, 1 line for a wearable and 1 line for connected data device). If you are not a valid Subscriber Paid User (either because you do not successfully complete the verification process or you lose your eligibility for any reason) or you are in violation of the 4 line maximum or the device type restriction, AT&T reserves the right, in its sole discretion, (a) suspend your FirstNet Mobile line(s) of service, during which time you will remain liable for the monthly charges for your suspended FirstNet Mobile plan(s); (b) change your FirstNet Mobile plan(s) to an AT&T consumer plan and bill you the appropriate monthly charges; and/or (c) terminate your FirstNet Mobile line(s) of service (which will result in the full outstanding balance on your installment agreement, if any, becoming immediately due). AT&T will advise you of the action it intends to take. Eligible Devices: FirstNet Capable smartphones, feature phones, tablets connected wearables and connected data devices only; see firstnet.com/devices for a current list of FirstNet Capable devices. CONNECTED WEARABLES: are wireless devices designed to be worn that are capable of making/receiving call without being connected to another wireless device. For a list of devices, see firstnet.com/wearables. Plan usage not available in Canada and Mexico on connected wearables. Pay-per-use roaming rates will apply on compatible devices. DATA: For use in the United States, Puerto Rico and U.S. Virgin Islands (the “Domestic Coverage Area”). Plans also include data usage in American Samoa, Guam and the Commonwealth of the Northern Mariana Islands (“Pacific Territories”), Canada and Mexico (connected wearable plans do not include use in Canada and Mexico, which are billed at pay-per-use rates). Additional or promotional data may not be available for use outside the Domestic Coverage Area. UNLIMITED TALK: For phones and compatible connected wearables only. For phones, includes unlimited calls within the Domestic Coverage Area, the Pacific Territories, Canada and Mexico; for connected wearables, includes unlimited calls within the Domestic Coverage Area and Pacific Territories. Unlimited Talk to Pacific Territories, Canada and Mexico: For phones and connected wearables only. Includes unlimited International Long Distance calling from the Domestic Coverage Area to the Pacific Territories, Canada and Mexico only. You may be charged for calls to special or premium service numbers. Calls to Other Countries: Plans for phones and connected wearables also include International Long Distance calling from the Domestic Coverage Area, the Pacific Territories, Canada and Mexico to countries other than Canada & Mexico; plans for connected wearables also include International Long Distance calling from the Domestic Coverage Area and Pacific Territories to other countries. Per minute pay-per-use rates apply unless an International Long Distance service package is added to the line placing such calls. Rates subject to change without notice. For rates, see att.com/worldconnect. UNLIMITED TEXT: Standard Messaging – For phones and compatible connected wearables only. Plans for phones include unlimited number of messages up to 1MB in size within and from the Domestic Coverage Area, the Pacific Territories, Canada and Mexico to more than 190 countries for text messages and 120 countries for picture and video messages. Plans for connected wearables include unlimited number of messages up to 1MB in size within and from the Domestic Coverage Area and the Pacific Territories to more than 190 countries for text messages and 120 countries for picture and video messages. AT&T may add, change, and remove included countries at its discretion without notice. Messages sent with applications may incur data or other charges. Visit att.com/text2word for details. Advanced Messaging – For customers with Advanced Messaging capable devices only. Both sender and recipient(s) must be AT&T postpaid wireless customers with HD Voice accounts, and both must have their advanced messaging capable devices turned on and be within AT&T’s owned and operated Domestic Coverage Area (third party coverage and use in Canada and Mexico are excluded). Includes unlimited number of messages up to 10MB in size. Additional restrictions apply and can be found at att.com/advancedmessaging. 5G+ SERVICE: AT&T 5G mmWave (5G+) service requires a compatible plan, FirstNet SIM, FirstNet Certified 5G+ device, and no custom APN. 5G+ service is not available in most areas; it is available only in very limited parts of specific cities. Device will display 5G+ coverage indicator when used in an area where 5G+ coverage is available. 5G+ service is available outdoors only. 5G+ service is not available within line-of-sight of cell site only. FIRST PRIORITY: Feature provides prioritization of data and priority access to available network resources. Requirements: You must have a qualified FirstNet Mobile plan and a 4G LTE compatible, FirstNet Capable device provisioned with an Approved Business Application. Pricing: $2 per line per month; surcharge not prorated. Approved Business Applications: Approved Business Applications are limited to applications directly related to the primary missions of Public Safety Entities. These applications specifically exclude consumer-oriented applications such as, but not limited to, video streaming. Plans must be selected which support the type of application and are subject to the terms of those plans. To help maximize the performance of the network for all public safety users, Approved Business Applications utilizing video should be streamed at a resolution of 480p. Use of plans intended for Approved Business Applications exclude continuous unattended mobile video transmission applications. Limitations: Feature is available only in the Domestic Coverage Area and only for your Approved Business Application data traffic originated on and traversing over the AT&T domestic 4G LTE network and the 4G LTE networks of AT&T’s domestic rural providers connected to the FirstNet Evolved Packet Core. Feature may not be used for Internet traffic other than your Approved Business Application data traffic. Data Prioritization: Feature does not prioritize your Approved Business Application data traffic ahead of all other data traffic. Priority Access: Feature provides priority access to the available AT&T 4G LTE network resources of the AT&T domestic 4G LTE network and the 4G LTE networks of AT&T’s domestic rural providers connected to the FirstNet Evolved Packet Core. Uplift Management: Allows a Primary User Public Safety Entity to modify your relative priority and preemption capability for a period
not to exceed 24 hours. Termination or Suspension: AT&T reserves the right to terminate, suspend or restrict the feature or use of the Plan if your use is inconsistent with applicable terms and conditions, the AT&T FirstNet Solution Service Guide, your qualified Extended Primary User Public Safety Entity’s agreement with AT&T for the FirstNet Solution, or your Consumer Service Agreement. QUALIFIED AGREEMENT DISCOUNTS: If your Extended Primary User Public Safety Entity has authorized discounts to be available on your FirstNet Mobile plan, the discount will appear as a monthly credit on your bill. Any such discounts are subject to the Qualified Agreement and may be changed or discontinued at any time.

ADDITIONAL TERMS FOR FIRSTNET MOBILE – RESPONDER PLANS: Pricing: The monthly service charge of plans for smartphones that are purchased with a qualified installment agreement, purchased at full price, bring your own, or on a month-to-month term is discounted by $20 per month as compared to the monthly service charge of plans for smartphones on a 2-year agreement. The plan discount will appear as a credit on your bill. Data: Data allowances must be used in billing period provided or will be forfeited. Data Overage: If you exceed the total amount of data in your plan during your billing period, a pay-per-use rate of $0.000009536 per kilobyte (“KB”) will apply. 1,024 KB = 1 megabyte (“MB”); 1,048,576 KB = 1 gigabyte (“GB”). Tethering and Mobile Hotspot Use: For Responder plans for smartphones and Responder plans for tablets only; requires compatible device. Maximum of 5 simultaneous devices.

ADDITIONAL TERMS FOR FIRSTNET MOBILE – RESPONDER UNLIMITED PLANS: Exclusions: FirstNet Mobile – Responder Unlimited plans (with or without tethering) may not be used with any device or equipment that is intended to, or is used to, establish a continuous, unattended connection to the 4G LTE networks used to provide FirstNet services, including, but not limited to, automatic data feeds, mobile video transmissions, and automated machine-to-machine connections. FirstNet Mobile - Unlimited mobile data plans are unavailable to subscribers in American Samoa. Tethering and Mobile Hotspot Use: For Responder Unlimited with Tethering Smartphone plans and Responder Unlimited with Tethering Tablet plans only; requires compatible device. Maximum of 5 simultaneous devices.

GENERAL WIRELESS SERVICE TERMS: Subject to AT&T Consumer Service Agreement found at att.com/csa. Service is not for resale. If AT&T does not enforce any of the terms or restrictions of its service offerings, it is not a waiver of AT&T’s right to enforce those terms or restrictions. AT&T reserves the right to enforce all terms & restrictions at any time. If AT&T determines your use of the services violates any of the applicable terms or policies found in the Consumer Service Agreement, we may in our sole discretion suspend, modify, terminate or restrict your service. Other restrictions apply & may result in service termination. If you purchased a device that requires a term commitment, an Early Termination Fee applies if you cancel service after the first 14 days and before your term ends. See att.com/equipmentETF for details on what fee may apply for your device & how the fee is prorated over time. Activation/upgrade fee per line (up to $50) & deposit may apply. Credit approval may be required. Line and purchase limits apply. AT&T reserves the right to suspend or terminate service to your account, place any non-complying device on an appropriate plan, and/or add any other required element of a plan. Other Monthly Charges: Apply per line & may include taxes, federal/state universal service charges, a Regulatory Cost Recovery Charge (up to $1.50), a gross receipts surcharge, an Administrative Fee & other governmental assessments which are not government-required charges. See att.com/additionalcharges for more details on other charges. Privacy Policy: see firstnet.com/privacy- policy for details. Pricing, promotions, restrictions, terms & conditions subject to change & may be modified, discontinued or terminated at any time without notice. Coverage: Coverage map shows high level approximation of areas included in and out of plan. For the most current coverage info for your area, check www.firstnet.com/coverage. Coverage may include areas served by unaffiliated carriers & not on AT&T’s owned and operated network (offnet). Arrangements with these carriers may change from time to time, and coverage is subject to change without notice. Service is intended for use primarily within the Domestic Coverage Area. For full service terms and conditions, visit att.com/wirelessterms.
